YOU'RE TOO STUPID TO BE HAPPY — FREE CHAPTER

YOU'RE NOT BROKEN. YOU'RE JUST STUPID.

A free chapter from the book by Ken Foster

Listen. Apparently, I have to give you a chapter to read before you buy the fucking book. You could have just trusted me, but whatever. We're here now.

Here's the deal: this is how I write. The humour, the swearing, the occasional useful observation hiding between the insults. If you enjoy this chapter, there's a whole book waiting for you. If you don't, you probably won't like the rest. No joke.

And the last thing I need is you hunting me down asking for your twenty-five bucks back because you thought I'd become a different writer on page twelve.

Read it. Have a laugh. See what you think. If you don't like it, don't buy it.

Look at us. Setting boundaries already.

CHAPTER 1

YOU'RE NOT BROKEN. YOU'RE JUST STUPID.

Let's get one thing straight right off the bat. You're not broken. You don't need to be fixed. You're just stupid. And before you get all offended, relax — I'm including myself in that group.
